

General Guild Meetings - Parking Update

Above is a map of the Mosaic Law Congregation campus, location of our monthly general meetings. We meet in the Sanctuary; the closest parking lot is Parking 1. If you arrive and find that it is full, exit the parking lot and turn left on Sierra Boulevard. Turn left into the gate leading to Parking 2 & Parking 3. Stop at the guard shack and tell the guard you are with River City Quilters Guild, meeting in the Sanctuary. The closest parking on this side is Parking 2, parallel to Sierra Blvd. Follow the dashed arrows to the Sanctuary. As you drive through the parking lots, please watch out for people on foot; this is a busy location, with lots of kids and their adults going to and from their cars.
