

# River City Quilters' Guild Block of the Month 2022

## Introduction to "Try-Angle Fun"

Welcome to this year's 12-block mystery sampler, called "Try-Angle Fun." We'll use a cute feature fabric and learn some new blocks, all finishing at 12" square.

- ❖ Interesting blocks you might not have tried before. No tiny pieces or curved piecing.
- ❖ Suitable for beginner to experienced quilters.
- ❖ Participants must register for the program. The required feature fabric is a print on white from the "Lower the Volume" line by Blank Quilting. You can place the feature fabric following the pattern, or change it up to suit your own style. You choose the other fabrics in the blocks. Work from your stash or scrap pile, or shop for something new!
- ❖ Block instructions will be provided as PDF documents each month via email to registered participants, and will also be available to download on the RCQG website.
- ❖ Participants who complete the previous month's BOM will be eligible for a random prize drawing, one winner per month. To be eligible, each participant must attend the Guild's monthly meeting (currently in person at the Swanston Center) to show their block and have submitted a photo of their block to both Keitha Hunter and Frances Dack, fladack@gmail.com, for the Block of the Month slideshow. If you are attending the meeting via Zoom or if you cannot attend the in-person meeting, you must submit a photo of your completed block to both Keitha Hunter and Frances Dack by the Saturday before the guild's monthly meeting.
- ❖ At the Holiday Party in December, we will have two prizes. We will draw randomly for a **grand prize** for participants who finish their quilt entirely—quilting, binding, label and all! There will be one lucky grand prize winner. Then we will draw randomly a second prize winner from all of the other participants who have either completed their quilt **or** assembled at least nine of the blocks into a quilt top (just the top—it does not have to be quilted or bound).

### Registration and Cost:

To register, sign up and pay at the in-person meeting, **or** pay online on the guild's website, **or** complete the information below (page 2) and make check payable to: River City Quilters' Guild, Attn: BOM, P.O. Box 15816, Sacramento, CA 95852

The one-time fee for the Block of the Month program is \$25.00. This includes 1 ¼ yard of the required BOM fabric and the PDF patterns.

Pick up your BOM fabric at the monthly meeting in February or March. Patterns will be emailed to registered participants following the guild's monthly meeting. If you cannot attend the monthly in-person meeting, please email me to arrange for getting your feature fabric.
